# Before You Start Hiking

- Use the picture above to answer the questions. It's called a Map Key and it tells you what pictures on the map mean.
  - Go to the key on the big map.

- 1.) Find this symbol on the map.
  - What does it show? \_\_\_\_\_
  - Find it on the big map and put your finger on it. That's today's starting point.
  - You're going to hike 3 trails today. Cass Meadow Trail is your first trail. What color is it on the map? \_\_\_\_\_
  - Lake Bluff Trail is what color on the map? \_\_\_\_\_
  - What color is Woods Trail on the map? \_\_\_\_\_

## Animal Tracks and Signs

As you walk the trail, look for places where the tall grass is lying down flat. What do you think caused this?

Answer: \_\_\_\_\_

You'll come to long boards that cross a muddy spot. Look for animal tracks in the mud. Take a picture if you find any.

What animal do you think made these tracks?

## Lake Ontario Lookout

- Is the water wavy or smooth today? \_\_\_\_\_
- How many boats can you see? \_\_\_\_\_
- Do you see any birds flying over the lake? \_\_\_\_\_
- How many kinds of birds do you see ? \_\_\_\_\_
- Take pictures of 2 different wildflowers.
- Have your picture taken next to the Lake Ontario sign.

## The Big Woods

- Look for the biggest tree you can find. How many people does it take to get their arms all the way around the tree? \_\_\_\_\_
- Find a tree where a raccoon might make his home. Take a picture of it.
- Can you find trees with tiny holes made by a woodpecker? (hint: It might be a dead tree)
